ozlem.burak@emu.edu.tr

FAMAGUSTA, CYPRUS

PROFILE

Skilled and enthusiastic psychology instructor and psychologist with a passion for teaching, conducting scientific studies and providing effective therapies for children, adolescents and adults.

EMPLOYMENT HISTORY

Senior Instructor at Eastern Mediterranean University, Famagusta

January 2019 – Present

Prepared and taught lessons to first, second, third and final year psychology undergraduates in English and Turkish languages. The lessons include Atypical Child Development, Developmental Psychology I & II, Ethics in Psychology, Media Psychology, Introduction to Psychology, Science of Psychology, Work Psychology, Testing and Measurement and Theories of Personality. Examination and assignment markings and feedback sessions are also conducted. The classes are both seminar and lecture classes generally including 60+ students within a group.

Psychologist (BPS Chartered, MSc) at Mayıs Psikoloji Education and Psychotherapy Center, Nicosia

October 2021 – Present

Conducting individual psychotherapy sessions with adults, adolescents and children. Along with being the British Psychological Society (BPS) Chartered Member, accredited (International and Europe) therapy training certificates have been awarded. To work with children, Cognitive Behavioural Play Therapy and Child-centred Play Therapy training have been taken from the Institute of Behavioural Sciences, İstanbul by Dr Susan Knell and Dr Brandy Shumann, respectively. EMDR for children (Level I) training was taken from Prof Dr Ümran Korkmazlar. EMDR for adults (Level I & II) have been taken from Ay Institute, İstanbul by Asena Yurtsever (MSc). Schema Therapy training was taken from the Schema Therapy Institute by Prof Dr Gonca Soygüt Pekak. Cognitive Behavioural Therapy training was taken from Prof Dr Murad Atmaca. Supervision for each therapy training is finished and there are ongoing supervision sessions including children, adolescents and adults. Additionally, Moxo and other developmental tests training have been taken to work with children when necessary.

Volunteer Psychologist at ÖZEP (Özel Eğitim Pojesi), Nicosia

June 2021 – December 2021

Volunteered in a special educational needs project which aimed to help children with special educational needs and their families to provide psycho-therapeutic and psycho-educational help. This project was supported by the Nicosia Government.

1:1 SEN Teaching Assistant at Farsley Farfield Primary School, Leeds, England

February 2018 – August 2018

Worked as a 1:1 special educational needs (SEN) teaching assistant to help children in an educational setting. Children were diagnosed with Asperger syndrome, autism, dyslexia, dyscalculia, adhd, etc. Psycho-educational help was also given to families in need.
