Work experience

Senior Instructor

Oct 2022 – Present

Eastern Mediterranean University, Famagusta

Delivering introduction to psychology module to year 1 students. Incorporating advanced teaching methods to inspire and actively involve students, my role encompasses various responsibilities:

- Creating and sustaining a conducive learning environment in the classroom
- Implement innovative teaching methods and technologies to enhance student engagement and learning outcomes.
- Designing, supervising, and assessing student's coursework and examinations.
- Develop and revise curriculum materials to align with academic standards and educational objectives.

Assistant Psychologist

August 2022 – February 2023

Pink Mansion Psychiatric Hospital, Kyrenia

- Undertake protocol based psychological assessments, including neuropsychological tests, questionnaires, self-report measures, rating scales, direct and indirect observations as directed by a qualified psychologist.
- Carrying out specified treatment and intervention programs with clients or groups of clients under the supervision of a qualified psychologist
- Assist in the coordination and running of therapeutic groups.
- Contributing to multidisciplinary discussions about a client's diagnosis, treatment, risk assessment and care plan issues.
- Working with client's care-givers.

Senior Instructor

Oct 2021 – July 2022

Cyprus West University, Famagusta

Delivering lectures to group of students in relevant areas of psychology and ethics. Advanced teaching methods are used in order to motivate and engage students.

Assistant Psychologist (internship)

Jul 2019 - Aug 2019

Near East University Hospital, Nicosia

- Collaborated with Psychiatrists, Psychologists and social workers to help formulate treatment plans and apply therapeutic approaches to clients.
- Case discussions and multi-disciplinary team meetings.
- Gained practical skills in applying range of therapeutic techniques.

Invigilator
